FAIRBURY NURSERIES THRIFTY BUYERS PRICE LIST

We are sending you this circular instead of a colored catalog so we may keep our prices as low as possible. We are passing the saving on to you in lower prices.

We have had a good growing season this year but some stock is short because of dry Fall in 1952. A few items we will leave out this year.

In case part of your order has to come by express, we will send it all together and send you some extra stock for the postage you paid on postpaid item.

We can not afford to ship out orders for less than one dollar and pay the postage. In case your order is less than one dollar, add 10c to cover part of the postage.

WE INVITE YOU

To come to pick up your own nursery stock if you live within driving distance of Fairbury. You can see what you are getting. We have a number of other items not offered in this list. We have a nice stock of Juniper Evergreens for foundation planting in all sizes.

If you come for Evergreens, come when the ground is not frozen or very muddy. Evergreens are dug as they are sold.

We carry in stock garden plants and seeds for our home customers.

Store hours: 8 to 12 a.m.; 1 to 5 p.m., week days.

Office two blocks north of post office and four and one-half blocks west.

SPECIAL OFFER

We can send by parcel post, perennials, plants, roots, trees and shrubs under four feet high. Do not order larger by mail.

We will pay express charges on orders of \$20.00 to Kansas, Nebraska or Missouri. We will pay the express charges on orders of \$25.00 or more to other states.

We will pay express charges on all stock as stated above, except Evergreens which will be sent express collect.

Get your neighbors to order with you and get your stock by express prepaid. It will travel better.
